

# Exhibit 13

**Bart Barber**

But I will check with editors and see if I now have any recourse to release parts of our conversation to refute what she has claimed.

3:11 PM ✓

And I’ll add that what Geiger said he heard from his second hand sources was “sexual encounters.” I very specifically looked for abuse in what he said he was told by others who are not Lyell. He did not reference abuse, violence, or coercion in that context.
